

REMARKS

Claims 1-20 are cancelled. Claims 21-54 are pending. The pending claims and specification have been modified for clarity under the English language and U.S. patent conventions. Revised FIG. 2, provided as an Annotated Sheet and a Replacement Sheet, is enclosed with this Preliminary Amendment as drawing sheet 2 of 3. Support for the changes is found in the specification, including the drawings. No new matter has been added by this Preliminary Amendment. Consideration of this application in view of the Preliminary Amendment is respectfully requested.

CONCLUSION

The present application is believed to be in condition for examination and allowance. Should any issues or items be remaining, please contact the undersigned at the number provided.

If the fees submitted herewith are incorrect, the Commissioner is authorized to credit any overpayment or charge any deficit to our Deposit Account No. 06-0029 and is requested to notify us of the same.

Respectfully Submitted,

PRÜSSMEIER, Uwe et al.
